Volume 22, Issue 6

June, 2009

A couple months ago, two long-time faithful members, Louise and Jim Sommers, sent me this fascinating story. It reminded me of what it means to truly "bear fruit" in the name of Christ. With Jim and Louise's okay, here's the story. Enjoy!

MISTER, ARE YOU JESUS?

A few years ago, a group of salesmen went to a regional sales convention in Chicago. They had assured their wives they would be home in plenty of time for Friday night's dinner.

In their rush, with tickets and briefcases, one of these salesmen inadvertently kicked over a table which held a display of apples. Apples flew everywhere. Without stopping or looking back, they managed to reach the plane in time for their nearly-missed boarding.

ALL BUT ONE!!! He paused, took a deep breath, got in touch with his feelings, and experienced a twinge of compassion for the girl whose apple stand had been overturned.

He told his buddies to go on without him, waved good-bye, told one of them to call his wife when they arrived at their destination and explain his taking a later flight. Then he returned to the terminal where the apples were all over the floor.

He was glad he did. The 16-year-old girl was totally blind. She was softly crying, tears running down her cheeks in frustration, while she helplessly groped for her spilled produce. The crowd swirled about her; no one stopping to care for her plight.

The salesman knelt on the floor with her, gathered up the apples, put them back on the table, and helped organize her display. As he did, he noticed many of them had become battered and bruised; these he set aside in another basket.

When he finished, he pulled out his wallet and said to the girl, "Here, please take this \$40 for the damage we did. Are you okay?"

She nodded through her tears. He continued, "I hope we didn't spoil your day too badly."

As the salesman started to walk away, the bewildered blind girl called out to him, "Mister...."

He paused and turned to look into those blind eyes.

"Are you Jesus?"

He stopped in mid-stride and wondered. Then slowly he made his way to catch the later flight with that question burning and bouncing in his soul: Are you Jesus?

Do people mistake you for Jesus? That's our destiny, is it not? To be so much like Jesus that people cannot tell the difference as we live and interact with a world that is blind to His love, life and grace.... If we claim to know Him, we should live, walk and act as He would. Knowing Him is more than simply quoting Scripture and going to church. It's living the Word as life unfolds day to day.

LUTHERAN OUTDOOR MINISTRIES CAMP FINANCIAL ASSISTANCE

If you have lost your job, but would still like to send your child to camp, Lutheran Outdoor Ministries (LOMO) can help. They've launched at "Faith Formation Stimulus for Children with Unemployed Parents." There's a form in the lounge you can take to fill out to receive financial help in sending your child to camp this summer.

In times when financial struggles are in the forefront of life at home, getting away to be immersed in Christian community is more important than ever. Youth need to experience the love and joy of Jesus Christ shared through camp counselors. Families need to come away to experience time together in Christ-centered community.

For more information, call 1-800-431-5666 or go on-line to www.lomocamps.org

RENEW JUNE INFORMATION

RENEW SUMMER!

Summer is the season of fulfillment, happiness, and beauty. It is easy to spot the beauty that captures our eyes by looking at the green grass, blossoming flowers, growing crops, warm sun, and the blue skies. We should be reminded that God refers many times in the scriptures to fruit and crops. This is the season where farmers literally see the "fruit" of their labor. As students, we can take time to notice the beauty all around us that God has given us and share in it together. As a Student Minister, it is my prayer we can take time to play, rest, and learn this summer, either together or with our friends and families.

Random Fun Fact: Aardvarks are allergic to radishes, but only during summer months.

Blessings, Mary
John 15:5

NOTE: These events are open to any incoming and outgoing 7th—12th graders (those finishing 6th grade are welcome!)

If you are interested in attending you must be registered with Mary by June 11th. The ticket for the concerts and park will cost \$69.99 for the three days if we get a group of 15 or more. Stay tuned for hotel costs—this depends on the size of group we have going. If you are an adult who is interested in attending please contact Mary ASAP.

If you have any questions, please contact Mary, Student Ministry Director, at mdarling05@yahoo.com

CONFIRMATION PHOTO HELP

Photos of each confirmation class from 1931 to present are in the lounge under the clock, and we need your help. Photos from 1958, 1962, and 1968 to 2005 have names listed in alphabetical order instead of in order by position in the photo. If you don't know the people, you don't know which name fits which picture. We need your help to correct this.

If you were confirmed in the years listed above, stop by and check out these photos. We've numbered each person in the photo and have a piece of paper numbered for each student in each year. Start with yourself: write your name on the sheet of paper next to your number in the picture. Then, if you can help with some of the other names in your class, write their names next to their numbers. (You can flip back to a year prior to 1958 to see what we mean.) When everyone is identified, we'll re-do the lists in order by photo positions. Thank you for your help.

FIRST ST. JOHN LUTHERAN CHURCH COUNCIL MINUTES—MAY 19, 2009

The meeting began at the Lutheran Old Folks Home. We were led in prayer by Pastor Blohm. Minutes were read, and Gary Henningsen moved to approve the minutes and Dave Warnke seconded. Motion passed.

Special Report was given by Bob Dennie, Director of East Toledo Lutheran Home. The purpose was to find out about the Home's campaign to raise money for repairs and additions to the facility. Bill Caldwell wants a motion to have these people come to our church and campaign for the home in front of our congregation. Dr. Neal Norris then presented how people and congregations can participate in giving to this program. We then went on a tour of Unit 2. Bill asked for a motion to have Dr. Norris come to our church, going to small groups and congregation to speak about their campaign. Gary Henningsen made a motion, and Larry Paul seconded it. Motion passed.

Treasurer's Report was given by Lisa Anderson. The amount of \$29,000 in contributions was given for the month of April. Lisa went on to explain the budget. Dave Warnke made a motion to accept the treasurer's report and Gary seconded it. Motion passed.

Sunday School: The committee is trying to set up activities with children and families. They are looking to bring in everyone for fellowship and improve attendance. This will begin in September with a JAM fest (Jesus And Me). The JAM fest is the new term for Sunday School.

Day School Report: Enrollment for next year is good. The extended care area is lacking in attendance for the upcoming year due to families having shorter working days or loss of employment.

Elder Report: Elders are slated to help with the kindergarten graduation on May 27, 2009. Elders were educated on the speakers up in the gym.

Property Management: Still working on the particulars for the replacement of the back parking lot.

Finance Committee Report: No report

Youth Report: Mary is planning events for the summer. She will meet with youth on some selected Sundays. Some will attend the Spirit Song Festival in July. She will be inviting current college and post-college students to do a Bible study.

Pastor Report: Pastor Blohm talked about care in the nursery. Heather Thayer has been working in the nursery. Brenda Fussell also was a big help in the nursery the Sunday the Dayschool children sang. A few have taken advantage of the services during church. There may be a possibility of this person being paid a small sum for her services. Max Schwiefert is interested in helping with acolyting and helping with communion. Max wants to learn more of what it is like to be an elder. Elders agreed to take him on.

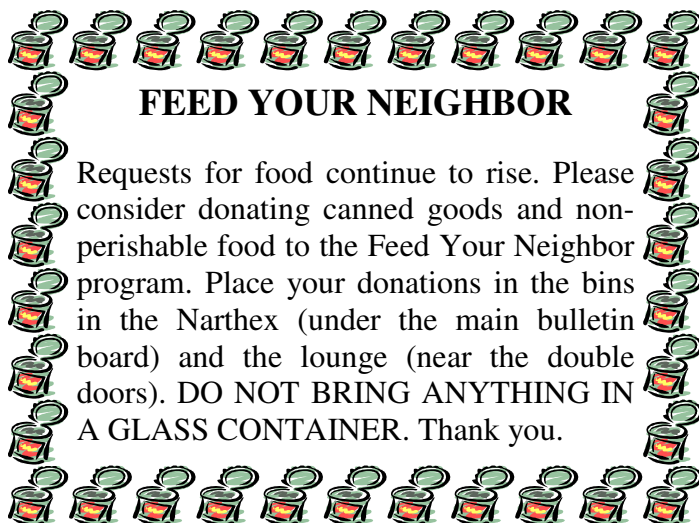

Old Business: None

New Business: It was brought to our attention that the railing has been greatly appreciated. A chair lift was asked to be added to the stairs in the back of the educational building. Logistics of how much room it would take up would need to be considered. The idea will be looked into. Janine Contat brought up an Alzheimer's walk in June, and she wants to add people to the walk for this cause.

A motion was made by Gary Henningsen and seconded by Dave Warnke to adjourn the meeting. Motion passed.

The meeting ended in prayer.

Respectfully submitted,
Diane Habegger
