Providing a Loving Educational Atmosphere in Faith
Since 1976

Friends of the Dayschool,

This year the Dayschool Board will be hosting our First Annual LEAF Festival at Sunrise Banquet Center in Millbury. This is a fundraising event to benefit a program that has established a reputation of excellence in the community. The Dayschool first opened its doors 38 years ago and we look forward to seeing it thrive and serve for many more. We are seeking to raise monies to make improvements and necessary repairs such as but not limited to: a new playground, repairs to floor tiles throughout the building. Our hope is to also be able to invest in technology items to keep up with the ever changing world around us. We realize that all this won't be accomplished in one evening so it is our intention for this to become an annual event.

This will be a fun filled evening for the Adults that will include Midwest Dueling Pianos, Silent Auctions, Raffles, Wine Tasting, Food and Drink. This is a great opportunity for our Church and Dayschool Families and Friends to come together for an evening of fun while supporting our Teachers and the Ministry that we have built together. With a big event like this we will be in need of assistance with some of the many tasks required to make this a SUCCESS. Julie Gallaher will be the designated chairperson for the event, if you would be willing to assist with one or more tasks please call, text, or email Julie at 419-250-4143 or jgallaher848@gmail.com so you can be added to our Volunteer List. Thank You in Advance!

Sincerely the Dayschool Board,

Pastor Jerald Rayl
