**2023 FINANCIAL RECAP** In 2023, FSJ members generously contributed over \$400,000 in which a portion was directed toward designated funds (ex. debt retirement) as well as the operating fund. With that being stated, the operating account (day-to-day expenses) had a year-end deficit of \$25,632 which was covered by the FSJ reserve account. There were several maintenances expenses with electrical/boiler repairs & stripping/waxing floors in the educational building (custodial services) that were not expected. At this time, please review your stewardship to FSJ so that we can continue with our worship experience for years to come. I am grateful for everyone's dedication, time, financial support, & talents given to the church & Lord which is evident on our church campus with numerous organizations that serve the community & each other. What a blessing!
